

Home Learning Timetable

Please follow this timetable as much as possible. It is important you keep up with your lessons and tasks as they will all follow on from each other. This timetable will tell you what lesson and task to complete. You should log onto your Purple Mash account to download these tasks. They will be uploaded into your 'To Do' section on the day it needs completing. All work completed by yourself will then need to be uploaded back onto Purple Mash or sent back through the class email. I will upload instructions on how to do this below this timetable to remind you again.

Please be assured that these lessons and tasks are what you would have been doing if you were in school which is why it is very important you keep up with these.

We will be having regular catch ups on Microsoft Teams on Tuesdays and Fridays at 10:30am, where links for these meetings will be sent to your own Teams emails. If you do not remember your log in details for Teams please email the class email and I will get back to you as soon as possible.

Week Commencing 04.01.21

	Morning Task 9:00am-9:30am	Lesson 1 9:30am-10:30am	Break 10:30am-11:00am	Lesson 2 11:00am-12:15pm	Lunch 12:15pm-1:15pm	Lesson 3 1:15pm-2:15pm	Lesson 4 2:15pm-3:30pm
