## Additional home learning resources.

Thank you to those who attended Parents Evening last week. Below are some suggestions of exercise books/booklets to purchase for your child. There are so many which you can pick up from most supermarkets, Amazon etc... However, we have put a link below to CGP where there is a range you can look at. On their website you can see the layout of the booklets or activities. Please remember practising any skill has many benefits. Please only purchase a workbook if you feel this is suitable for your child without adding to your child's schedule outside of school.
