

Homework week commencing 3rd June 2024

Welcome back to a new term! This term, we have lots of sports events happening in Year 3 and also our school trip to look forward to!

For the first week back, we are focusing on punctuation and understanding the use of apostrophes. This is important re-cap of previous learning in class. Please don't hesitate to ask if you have any questions.

All the best!

Kind regards,

Mrs Padam
