

Homework week commencing 12th February 2024

Well done for completing your work on verbs. House points to follow!

We are now in our final week before the half-term break and the task set on Atom is over 2 weeks, which gives you more time to complete it.

I have set a Maths task on word problems, so please make sure that you read the question carefully before answering it. You might want to use some scrap paper to do your working out on.

Wishing you all a wonderful half-term!

Kind regards,

Mrs Padam
