

Homework week commencing 8th January 2024

Happy New Year! I hope you have all had a wonderful break!

After a few English tasks before Christmas, we are starting the new term with some Maths work. I have set you a 'written multiplication' task on Atom. As usual, it is due the Monday after, 15th January. Remember to multiply the ones and then multiply the tens before you add the numbers together. E.g. $21 \times 3 = 1 \times 3 = 3$ and $20 \times 3 = 60$ $60 + 3 = 63$

All the best!

Kind regards,

Mrs Padam
