

Homework week commencing 18th September 2023

Well done for all your number work! You have earned some more house points!!

This week, we are throwing ourselves into our new History topic by reading a fiction book on **Purple Mash**, taking place during the Stone Age. Please note that the book is under Serial Mash inside Purple Mash. The easiest way to find it is to go to your notifications or alerts which is the little bell symbol on the top right-hand corner. Or simply switch to Serial Mash from the menu as screen shot below.

I have set 2 chapters for you to read with a follow-up quiz for you to complete after each chapter.

Happy Reading!

Any questions, please don't hesitate to contact me via email.

Kind regards,

Mrs Padam
