

## Year 4's learning update

It has been an extremely short but busy half term in Year 4. The children have been working hard on developing their independence by editing their writing. After the Easter break, Year 4 will continue learning about Fractions. You can support your child by looking at equivalent fractions, adding and subtracting fractions. Year 4 will also learn about discussion texts and writing narratives with chapters.

Easter gardens - With thirteen Easter Gardens entries; Lizzie, Tom and Mrs Padam really found it tricky to pick winners! Thank you so much to Parents/carers for your enthusiasm. The gardens looked so beautiful and unique. Year 4 had the most entries throughout the school! 😊

Viking workshop - The children thoroughly enjoyed the workshop. Please see our class page under the tab - photographs.

Primary Times Magazine - Your child will come home with a copy of the Primary Times magazine this week. This magazine has lots of information and activities based in Leicester and Leicestershire.

### Dates for your diary
