

## Homework - Due Wednesday 16<sup>th</sup> December 2020

As we approach the end of term, we would like you to write a short paragraph about a tradition or event you share with your family, friends or neighbours during this festive period. It can be an event you have carried out each year or something new! (Examples - baking on Christmas Eve, wrapping presents, donating food, writing letters to family abroad etc...)

Pupils are welcome to share these festive traditions on Wednesday 16<sup>th</sup> December whilst Christmas cards are handed out.

Have a lovely weekend Year 4 😊
