## Answers

Tenths

### True or False ?

## False

This could show 1 tenth if the ten frame represents 1 whole rather than 10

The number line shows 1

Both of these represent 1 tenth

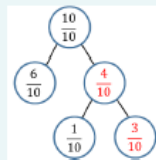

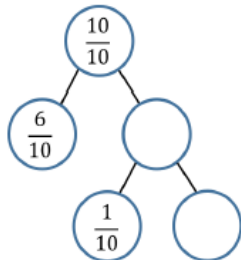

White

Children could use practical equipment to explain why and how, and relate back to the counting stick.

### Odd One Out

Which is the odd one out?  
Explain your answer.

The marbles are the odd one out because they represent 8 or eighths. All of the other images have a whole which has been split into ten equal parts.
