Can I produce a book
review on Alice in
Wonderland?

Book Review

Please ensure you have finished reading the whole book before you start this activity.

Book Review - You need to include all the points below.

Title and name of author

Your opinion of it. Whether or not you like it or not should be clear in the first few sentences.

Information about the book. Try and tell the reader what happens without revealing too much and spoiling it for them!

What did you enjoy most? Why did you enjoy that?

What did you not enjoy? How could it be improved.

End it with a summary. Would you recommend the book or not? Is it similar to any other books?

Layout - You can use a template or create your own style.
