Year 4's Home learning plan Week commencing 1st February 2021

Tuesday
TEAMS @ 9:30AM

Can I divide 2 digits by 1 digit?

Watch the Video link:

<https://vimeo.com/497573248>

Learning task - Complete the White Rose sheet and then self-assess using the answers.

Problem Solving.

Choose a question from the Chilli challenge. Answers are on the last page, no peeking!

Can I write descriptive sequences featuring action?

Learning - Read through the Power point and learn how the senses add impact to stories.

Task

Write a descriptive paragraph/ sentences detailing Lucy' experience upon transitioning through the wardrobe into Narnia.

Science - Lesson 5

Can I carry out and write an investigation to find out which items are conductors and insulators?

Watch Miss Simkins explain what insulators and conductors are.

Warm up activity - Can you safely find any items at home which are insulators and conductors? Draw them in your green book.

Main learning - If you have your circuit from last time you can also try the investigation out. Do not worry if you didn't! You will also write the investigation including an equipment list, method and diagrams. There is a template you can use but we encourage you to be independent!

Year 4's Home learning plan Week commencing 1st February 2021

Wednesday

Can I divide 2 digits by 1 digit?

Watch the video link:

<https://vimeo.com/49760166>

5

Learning task

Complete the White Rose sheet independently. Self-assess using the answers provided.

Complete Problem Solving

Choose a question from the Chilli challenge. Answers are on the last page, no peeking!

Can I use similes and metaphors to add description?

Learning and Task

Read through the power point and learn about Similes and Metaphors. Practice using them in the warm - up activities, slide 6 and then 9.

Metaphor muddle activity -

Match the metaphors up and then write them out correctly on slide 10. Can you think of your own?

RE - Continuing from last

lesson... Create a 'Wanted' poster to identify a good church leader. List what this person should have and what they are required to do. Think back to last week's learning, and what you learnt from Lizzie Berry.

Computing - Purple Mash (2Code)

Can I create a program which responds to the 'if/else' command?

You will have a 'to do' to complete, there are 5 parts of Guard the Castle. The 'to do' will be released from today until Friday.

Year 4's Home learning plan Week commencing 1st February 2021
