Can I write a poem using  
poetry features?

## Main task

Write your own poem based on Lucy discovering the Wardrobe and entering Narnia.

Look at the sentences in the document which explain Lucy's order of the Wardrobe event.

How can you add Similes and metaphors?

# POEM EXAMPLE

## The Wardrobe

The wardrobe stood alone in the room,  
An isolated figure.  
Like a moth to a flame, Lucy was drawn  
to explore its enticing interior.

She stroked and sniffed the furry garments  
then ventured deep within,  
As curious as a cat,  
her blue eyes opened wide.

her senses tingled and ignited!  
Touch and smell, sight and sound,  
A strange, yet delightful, sensation!

Fur as soft as a rabbit's,  
Velvety darkness, thick and safe,  
A crunch! A scratch! And in the distance,  
the amber glow of a street lamp.

Snow fell all around her,  
Like tiny flakes of lace.  
The wardrobe had been a portal

When writing your poem,  
you need to;

- Write in verses
- Start each line with a capital letter
- (Usually) Add a comma at the end  
of each new line

# Use the Poem Planner to get you started...

Use this poem planner to help you note and organise your ideas.
