

## Morning activity for W/C 18/1/21

Choose a shape (rectangle, triangle, circle, etc.) and use ONLY that shape (and various versions of it) to draw a picture. It's amazing what can be created with such simple instructions. This example was done using only triangle inspired shapes. It might be a little more challenging than you think.

Have fun!

Monday - Triangles only

Tuesday - Circles only

Wednesday - Rectangles only

Thursday - Ovals only

Friday - Your choice of shape

Have fun!
