

One star - Can I use the 3 times tables to multiply?

1. True or false?

If I count up in 3s from 0,  
I will pass the number 45

(Draw out a number line to help you)

2.

Tick the number sentences that the image shows.

$12 \div 3 = 4$

$12 = 4 \times 3$

$3 \div 4 = 12$

$3 = 12 \div 4$

$3 \times 12 = 4$

$3 \times 4 = 12$
