

Two stars - Can I use the 3 times tables to multiply?

1.

Fill in the missing number facts.

$$1 \times 3 = \underline{\quad}$$

$$2 \times \underline{\quad} = 6$$

$$\underline{\quad} = 3 \times 3$$

$$9 \times 3 = \underline{\quad}$$

2.

---

Sort the cards below so they follow round in a loop.

Start at 18 – 3

Calculate the answer to this calculation.

The next card needs to be begin with this answer.

18	21	15	8
– 3	÷ 3	÷ 3	– 5
