

Homework week commencing 5th October 2020

This week, I would like you to familiarise yourself with **Purple Mash** again, as we are starting to use this platform for both our computing skills and to support our reading skills.

Therefore, please login to **Purple Mash** using the login you have been given at school. Go to your '2Dos' tab where you will find your homework reading task.

This week, we are starting to read **Around the World in 80 Minutes**. Please read the first two chapters and do the follow-up quizzes.

If the text is too hard, ask for help from someone at home.

The homework expires online on 12th October.

Happy Reading!

Mrs Padam
