

St Luke's School Flyer

9th May 2025

Dear Parents, Carers and Families of St Luke's,

Welcome to the first Flyer of the Summer Term.

The Weather

With the weather improving please continue to ensure your children are well prepared with water, hats and nut free sunscreen. We have several children with allergies to nuts, so any product containing nuts will not be able to be used in school.

Please also ensure that all uniform is clearly labelled with your child's name. With children removing jumpers during lunch times, we have a large amount of lost property that we cannot return.

SATs Week

Next week, our Year 6's will be sitting the Statutory Assessments Tasks known as SATs. Year 6 pupils are welcome to come into school for our shared breakfast and warm-up at 8:00am.

We are incredibly proud of our children who have worked so hard over the course of the year. Good luck to all; you all deserve to do exceptionally well!

Attendance

Please see the attendance figures for the year so far. Well done to everyone!

Can You Help?

This summer we are looking for help and assistance to develop our outdoor provision for the children. We have had quotes to instal outdoor gym facilities on the school field. We are looking for donations from local businesses of individuals to help with this.

The installation would add significant benefit to the mental, physical and emotional development of the children standing for many years to come.

If you are able to potentially support with this idea or know companies who may be willing to financially assist us, please let us know.

EYFS Parent Planting Workshop

We would like to say a huge thank you to the adults who attended our parent planting workshop in EYFS. The children loved planting their beans with you and are very eager to look after them and watch them begin to grow very soon.

Year 4 Rise Voices

A huge well done to our year 4 pupils who participated in the Rise Voices Production at the Leicester Riders Stadium. We are proud of our group who represented themselves and our school exceptionally well.

Year 3 Cooking Afternoon

As part of our parental engagement offer, we welcomed the families of year 3 to join in our cooking workshop. The children worked together to make their own bread and soup from scratch using their favourite root vegetables. It was an amazing afternoon and it was great to see everyone working together and exploring different skills.

Year 6 Production

Year 6 End of Year Production will be **Mystery at Magpie Manor**. Performances will be on the 26th June at 2pm and 6pm. Tickets will be on sale shortly for £2.50 each. Ticket sales will go towards props etc.

A Reading from Scripture.

John 5

The Healing at the Pool

24 "Very truly I tell you, whoever hears my word and believes him who sent me has eternal life and will not be judged but has crossed over

from death to life. 25 Very truly I tell you, a time is coming and has now come when the dead will hear the voice of the Son of God and those who hear will live. 26 For as the Father has life in himself, so he has granted the Son also to have life in himself. 27 And he has given him authority to judge because he is the Son of Man.

A Prayer for the Week

They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning,
We will remember them.

Have a wonderful weekend and see you next week.
