Aim and values.

It is our aim through this behaviour policy that every school member feels valued and respected, and that each person is treated fairly. Our school is a caring community which values high expectations and positivity and is held together through strong relationships and communication skills. We wish to establish a culture which is based on clear teaching and modelling of the correct behaviours; managed in a way which is warm and caring. We believe that children should learn how to be responsible for their actions, property and regard for others and will therefore become intrinsically motivated displaying helpfulness, co-operation and problem-solving skills. This will diminish the need for extrinsic motivation through coercion, sanctions external rewards. We will work collaboratively with parents to create a positive ethos where all children are given all the tools they need, in order to make positive behaviour choices.

"Good relationships are built out of structures and high expectations. The teacher-student relationship is important, but it is built on trust – and trust is built on mutually predictable behaviour. And that requires sincerely executed norms and routines. But we do not expect students to only behave when they have a strong relationship with all staff. The expectation is that students should behave well because it is the right thing to do." Tom Bennett

Behaviour curriculum

At St Luke's, we have designed a behaviour curriculum which ensures that children are explicitly taught how to behave, this is underpinned by the values of the Rise multi academy trust. These are Respect, Compassion, Truthfulness, Inclusivity and Collaboration. The behaviour curriculum sets out the strategies and techniques used to improve behaviour in our schools so that all pupils are able to learn in a safe, calm, orderly and predictable environment.

As a school, we recognise our legal duty under the Equality Act 2010 to ensure that pupils with protected characteristics, including those with special educational needs and

disabilities (SEND), are not disadvantaged. We understand that all children have unique learning profiles and behavioural needs, and that some pupils require additional support and tailored approaches to thrive.

We are committed to making reasonable adjustments where needed, and we work closely with a range of external professionals—including medical practitioners, educational psychologists, and specialist agencies—to develop personalised plans that enable children to succeed. For many pupils with additional needs, this includes an individualised behaviour plan that is followed consistently by all staff and shared with parents and carers.

While we maintain high expectations for behaviour across the school, we do not apply policies rigidly or without consideration of individual circumstances. Our aim is to ensure that every child is supported appropriately, while also maintaining a calm, safe, and orderly environment where all pupils can learn effectively. Parents and carers who have additional questions about how this policy would be applied to pupils who may have additional needs are warmly invited to contact us via the school office to discuss further.

Whole school rules

We believe that our school rules will help us to provide a safe, friendly, encouraging and positive school environment where each person is valued and has the optimum access to their learning.

These rules will be consistently applied throughout the school by all members of staff, including lunchtime supervisors and sports coaches. Due to the teaching, modelling and coaching process, all children will be explicitly taught these skills. All children have a clear understanding of what is expected of them around school and therefore understand the consequences of their actions.

Rise Multi Academy Trust schools are mobile phone free environments. Pupils must follow the expectations outline in the Trust Mobile Phone policy. Failure to do this will result in sanctions being applied in accordance with this Behaviour policy.

St Luke's School rules

Routines and expectations-

Mastering Me- every school year will begin with a Mastering Me week where children will be explicitly taught and have all behaviours modelled to them. Children will practice the different behaviours in different opportunities within school and at different times of the day. Staff will consistently remind, reinforce and re-model behaviours during this time in a warm and caring manner.

Stepping up and shaping up- after each half term, there will be a key behaviour focus for the whole school which will be highlighted in worship and assemblies with all adults then modelling in class and around school.

Use of mobile phones and smart devices

Pupils will be explicitly taught that Rise schools are mobile phone-free environments. Children will learn that:

- Mobile phones should not be brought to school unless agreed by school leaders.
- Any approved phone must be switched off and handed into the school office upon arrival.
- Smart watches capable of communication, recording or internet access are not permitted.
- Mobile phones and smart devices must not be used during the school day, including before lessons, breaktimes and lunchtimes.

Classroom expectations

We aim to provide a rich and balanced curriculum through high-quality teaching and learning experiences. Through good teacher subject knowledge, small steps planning and scaffolding to support the needs of all learners, there should be minimal opportunity for disruptive behaviour. All members of staff are entrusted with ensuring high expectations are consistently maintained to manage inappropriate behaviour swiftly and effectively, following the scripts and strategies outlined within the behaviour policy. A combination of verbal praise, postcards home, feedback (including modelling) and sanctions are used to encourage good behaviour. Any other reward systems are only to be used with the agreement of school leaders and will often be in place temporarily.

All children are explicitly taught to ...

Follow instructions from an adult FIRST TIME, EVERYTIME

- **First time** – pupils know they should follow an instruction straight away and that it should not need to be repeated.
- **Every time** – pupils know that adults in school will only ask them reasonable requests so they should always follow them.
- **Everywhere** – pupils know that the same expectations apply in class, in corridors, in halls, playgrounds, schools, in church, outside in the community and on school trips.
- **Everyone** – pupils know that they should follow instructions from every adult in school no matter what their job title or position.

Listen well using STAR listening.

- **S**it up straight in their chair, hands together on the table, two feet are flat on the floor.
- **T**rack the speaker – pupil know they need to look at the person who is speaking including their peers.
- **A**nswer questions – pupils know that everyone is expected to answer questions to the best of their ability.
- **R**espect others – pupils know they must never interrupt others.

Show excellent STEP manners.

- **S**peak politely – pupils know the importance of manners and that they and the adults are expected to use them at all times. This includes thank you, excuse me, please.
- **T**hank you.
- **E**xcuse me
- **P**lease

Speak well using SHAPE your answer.

- **S**entences – pupils know they must answer in full sentences when appropriate.
- **H**ands down – pupils know that anyone could be called on to answer questions.
- **A**rticulate – pupils know they must pronounce words clearly.
- **P**roject – pupils know they must speak with a voice that is loud enough for everyone to hear.
- **E**ye contact – pupils know that it is polite to look at the person they are speaking to (we recognise that this is a challenge for some pupils and would always respect and support the needs of individuals when modelling eye contact)

Walk calmly around the school using FANTASTIC WALKING

- Facing forward – pupils know that they need to look where they are going to make sure everyone is safe.
- On the left – pupils know that they need to walk down the left-hand side of the corridor.
- Hands by side – pupils know that they should have their hands down by their side or behind their backs when walking around school.
- Steady pace – pupils know that they should walk at a steady pace and never run in school so that everyone is safe.
- Not talking – pupils know that corridors need to be calm and quiet so learning in classroom is not disrupted.

Praise and rewards

It is important that children's successes are celebrated and affirmed through positive praise. Children will receive positive recognition from staff when they are doing the right thing, their behaviour will be described and the reason why it is positive explained. Praise postcards will be awarded and sent home for excellent behaviour that is sustained over time. Any other reward systems are only to be used with the agreement of school leaders and will often be in place temporarily. Children understanding and meeting the high expectations of behaviour set by staff should be the norm.

Corridor expectations

It is expected that corridors will be calm to ensure that distractions are kept to the absolute minimum. Children are expected to move around school calmly using Fantastic Walking. Adults are expected to consistently monitor, praise and model Fantastic Walking.

Break and lunch time play

We recognise that break/lunch time and fresh air are a fundamental aspect in creating a positive, safe learning environment. By providing structured playground activities, we encourage children to have experiences which benefit their social, emotional and physical wellbeing. We endeavour to offer opportunities for children to develop social skills, practice sports skills, enjoy free time and be creative.

Staff at break and lunch will ensure that they work according to the agreed zoning plan provided.

Children will have appropriate activities available (e.g., board games, cards, puzzles, colouring) during occasions of wet play.

Dinner Hall expectations

Lunchtime is an important part of the day for children at St Luke's to benefit from the social conventions of sharing a meal with others. We encourage children to use STEP, good table manners, eat well and to appropriately socialise during the lunch hour. Detailed expectations for dinner hall behaviour can be found in our behaviour curriculum.

Assembly and Worship expectations

Our assemblies and worship are an important part of bringing the whole school together to share key messages which support our school values. We expect children and adults to use FANTASTIC WALKING to enter and exit and STAR listening throughout. Detailed expectations for assembly and collective worship behaviour can be found in our behaviour curriculum.

Visits and visitor expectations

When school welcomes visitors in children and adults will greet visitors warmly by saying good morning/good afternoon. When children are out of school, all members of our school community act as ambassadors and representatives of our values and the highest standards of behaviour and conduct are expected. Detailed expectations for behaviour on school visits can be found in our behaviour curriculum.

Sanctions

Sanctions are given to ensure children understand the consequences of their actions and to safeguard other children and adults in school and to enable effective teaching and learning to take place. In order to be effective, they do not have to be severe but do need to be consistent and certain.

All staff will use the behaviour stages to ensure appropriate and logical consequences are given.

We recognise that incidents can be complex and will always investigate to ensure that the consequence to an action is based around the level of risk to others, the intention and the lead up to the event. Consequences will not always be instant as time must be allowed for investigations to take place.

Suspension and permanent exclusions

The school will use suspension and permanent exclusions in response to serious incidents or persistent dangerous behaviour. The decision to make any exclusions will be made by the Headteacher after consultation with the Co-CEO (Education). Schools will follow the Rise Exclusions policy which is in line with the regulations set out by the DFE in September 2023 and the relevant Local Authority information.

Please see our anti-bullying policy for more information.

Reasonable force and positive handling

All members of school staff have a legal power to use reasonable force to prevent pupils from hurting themselves or others, from damaging property, from committing an offence or using disorder.

The use of positive handling as a means of reasonable force is not taken lightly.

Any use of positive handling methods must be:

- Carried out by trained members of staff*.
- Always as a last resort
- Be applied using the minimum amount of force, for the minimum amount of time.
- Be applied in a way which ensures the safety and dignity of all involved.
- Be recorded on CPOMs
- (and bound book as appropriate) and reported to parents.
- A full de-brief of the event will be held by SLT with any members of staff involved.
- A full de-brief of the event will be held with the child involved.
- Training updates will be held termly for members of staff with current positive handling training.

*In an emergency situation all staff have the power to use reasonable force to prevent pupils from hurting themselves or others.

We will also confiscate any item which is harmful or detrimental to school discipline, these items will be returned to pupils after discussion with senior leaders and parents, if appropriate. - Knives or weapons
- Alcohol
- Illegal drugs
- Stolen items
- Cigarettes, cigarette papers
- Fireworks
- Pornographic images

Mobile phones and smart devices

In accordance with the Trust Mobile Phone policy, staff may confiscate mobile phones and smart devices where they are used, accessed or possessed contrary to school expectations. Devices may be retained until collected by a parent/carer where appropriate. Where there are safeguarding concerns, school may examine devices in the line with the DfE Searching, Screening and Confiscation guidance and safeguarding procedures.

Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, never ignored and are investigated thoroughly. This includes the use of mobile phones or smart devices to take, possess, share or threaten to share images, videos or online content involving members of the school community.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case base

Sanctions for sexual harassment and violence may include

- Phone call to parents
- Remove to SLT
- Internal exclusion
- Suspension
- Permanent exclusion

The school has procedures in place to respond to any allegations or concerns about a child's safety or wellbeing. These include clear processes for;

- Responding to a report by investigating thoroughly
- Carrying out risk assessment, where appropriate, to help determine whether to manage the incident internally, refer to early help, refer to children's social care, report to the police. Please refer to our child protection and safeguarding policy for more information.

Monitoring behaviour

The senior leadership team will consistently monitor and support behaviour through high visibility around school. All staff are expected to record incidents on behaviour trackers when requested and to log behaviour concerns (Stage 3 and above) on CPOMs and so

the Headteacher and Assistant Headteacher will monitor these, investigating further when necessary.

The senior leadership team will collate information from behaviour trackers when they are in use to monitor frequency of different levels of behaviour. This information will be passed on to the Headteacher.

Analysis of behaviour monitoring will be shared with the governing body through the Headteacher's Report.

Logging Behaviour incidents on CPOMs

All behaviour (Stage 3 and above) will be logged on CPOMs, this does not need to be done immediately but should be done by the end of that day and should be recorded by the person who dealt with the incident. Logs should follow the Incident, Action, Outcome structure and use the language of the behaviour policy.

Example behaviours at each stage serve to act as a guide. Response will often be very much context driven. For example, not keeping hands and feet to themselves can range in context, severity etc, throwing objects could be in a defiant manner or throwing something carelessly to another pupil. These behaviour stages would not apply to a pupil with an individual behaviour plan.

Appendix 1 - 30 Second Scripts – St Luke’s Behaviour Responses

It’s my job to keep you/everyone safe and to keep you/everyone learning ...so you can’t go back into the classroom at the moment until you are calm, so we’ll need to stop and wait until everyone is listening, so you will need to go back down the corridor and show me fantastic walking.

At St Luke’s we ... do fantastic walking, sit up, are respectful, follow instructions the first time they are asked.

I need you to show fantastic walking, pick up your pencil and start work, hang your coat up and come to your seat, take down your hood.

I noticed you are... having trouble getting started/struggling to get going/wandering around the classroom talking.

It was the rule about... lining up/staying on task/staying quiet that you broke.

You have now chosen to... move to the back/catch up with your work at lunchtime/lose X minutes of your break time.

Do you remember last week when you... arrived on time every day/made me smile/helped to hand out the books/lined up like a soldier

That is exactly the behaviour I need to see today...

Thank you for listening. Then give the child some ‘take up’ time and walk away.

Fantastic walking Every single time you see a child doing it".
