

Y2 AUTUMN 2 updates

HELLO

In year 2 we have had a fantastic first half term making memories- including scootability, Aston Villa FC, church visits and getting creative in art. This next half term we will be joined for a few weeks by Miss Kotecha, who is completing her teacher training and spent last term in Y5. As always, if you have any questions, please find me after school or drop a message via the office.

Miss Cheyney

After a few technical problems, Spelling Shed should now be up and running online. Weekly spellings will be given out on a Friday, both online and in weekly spelling books. They will be tested the following Friday. Once marked, the children's incorrect answers will be highlighted in their weekly spelling books, if it is in school. This allows us to keep the test book in the classroom.
