

WEEKLY CLASS UPDATE

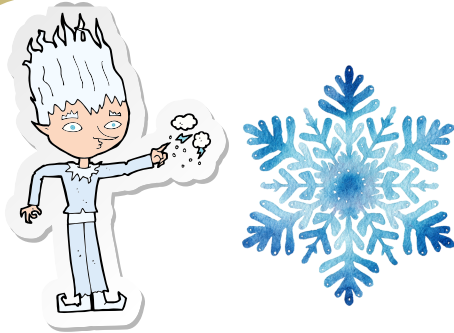

DATES: 5th - 9th January 2026

Phonics

We have been looking at /x/ and /y/. Our non-decodable word has been 'all' and we have also been looking at the words 'at', 'and', 'its', 'went', 'help', 'just'. Please keep reading at home as much as you can, as often as you can.

Other things we have learned

Our story has been Here Comes Jack Frost. We have really enjoyed exploring different ways of telling stories including story maps and musical trails.

In art we have been exploring shading with oil pastels and paint recreating winter skies. The children have been adding white and black paint to blue to create shaded effects.

Maths

We have been looking at subitising (knowing how much an amount is without counting).

The children have enjoyed exploring dot arrangements and matching values to 0 - 5.

Reminders and Important Dates

We have loved welcoming the children back to school this week. Hopefully you and the children all had a fantastic festive period filled with fun and family time.

The weather continues to be quite cold so please ensure your child has warm clothes for school including named cardigans and jumpers.
